--	--

**GOALS:**

- To motivate participants to begin writing grants or to develop a grant team.
- To gain basic grant writing skills.
- To gain knowledge about grant opportunities available to school districts.
- To provide funded grants to recognize components of funded applications.
- To gain data resources and utilize the information to create a school demographic profile for grant applications & to better utilize academic scores and data for grant applications.
- To eliminate concerns about the difficulty of grants & follow up reports.
- To send participants back to their school waving their own magic wand.
- To learn how to review and write grants for income.
- To complete a grant, an easy grant, for up to \$5000, before training ends.
